Accident & Minor Violation Forgiveness Endorsement

Did you know your insurance rates may increase after a fender bender, rolling through a stop sign or other moving violation?

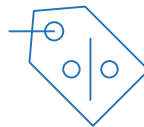

Our Accident Forgiveness and Minor Violation benefits may help you avoid this.

Accidents and speeding tickets happen – even to responsible drivers. We think drivers like you deserve a break.

If you're free of accidents and violations for a period of 35 consecutive months*, your first accident and first minor violation may be waived.

Only available for new AutoXtended[®] Plus and AutoXtended[®] Premier policies.

You Could Help Avoid An Insurance Rate Increase:

You could save money if you're accident-free and an accident does happen

If you have no minor violations, your first one may be waived

*Forgiveness also requires policy tenure which varies between accidents and violations as well as policy offering level.

This brochure is intended for general information purposes only and is not an insurance policy. Coverages described are subject to definitions, limitations and conditions. Read the policy forms and endorsements for details. Eligibility, coverages, discounts and benefits may vary by state.
